Women, Land and Sustainable Development by Rekha Mehra 1995. ICRW Working Paper No. 1. Published with partial support from the Moriah Fund. The opinions expressed herein are those of the author and do not necessarily represent the views of ICRW or the Moriah Fund.

Women, Land and Sustainable Development - ICRW

“Land administration for sustainable development”. The collective vision was to write a practical book with a strong and universal theoretical foundation that explored the systems that administer the ways people relate to land. This cannot be done successfully without a major focus on building the capacity of people and institutions.

Ecotheology, Land and Sustainable Development Etim E.Okona,* ... In this paper we shall use the words “land” and “earth” synonymously. 3. Biblical Perspective on Land In the Hebrew Old Testament two words are commonly used to mean land, adamah and haaretz.

Ecotheology, Land and Sustainable Development

A role for land administration in supporting sustainable development The land management paradigm can be used by any organization, especially national governments, to design, construct, and monitor LAS. The core idea is to move beyond mapping, cadastral surveying, and land registration to use land administration as a means of achieving sus- ...

Land Administration for Sustainable Development - Esri

Goal 15: Life on land. Human life depends on the earth as much as the ocean for our sustenance and livelihoods. Plant life provides 80 percent of our human diet, and we rely on agriculture as an important economic resource and means of development.

Goal 15: Life on land | UNDP

Sustainable Development Goals In 2015, the world agreed a new set of global goals to eradicate extreme poverty and achieve sustainable development. Building on the Millennium Development Goals, they are known as the Sustainable Development Goals, or SDGs. But how did these goals come about, what are they, and how can civil society get involved in

Sustainable Development Goals - Sightsavers

define sustainable development in an operational manner in the detail and with the level of control presumed in the logic of modernityâ€™™ (Norgaard, 1994, p. 22). The strongly normative nature of the sustainable development concept makes it difficult to pin down analytically. Despite these complications, the three principles outlined above do

Sustainability and Sustainable Development

This article explores the impact of land grabbing in Ethiopia and examines the human rights and sustainable development frameworks within which land grabbing takes place. The article argues that a human rights approach is fundamental to reconcile the sustainable development imperatives of economic development and environmental protection in the ...

ENVIRONMENTAL PLANNING FOR SUSTAINABLE URBAN DEVELOPMENT

Miloon Kothari and Shivani Chaudhry. One of the pillars of sustainable development is the right to adequate housing and land. However some 1.6 billion people are currently living in sub-standard housing, 100 million are homeless, and around a quarter of the worldâ€™™s population is estimated to be landless.

Housing, land and sustainable development | Social Watch

sustainable development as â€œdevelopment that meets the needs of the present without compromising the ability of future generations to meet their own needsâ€• (United Nations General Assembly, 1987, p. 43). Albeit somewhat vague, this concept of sustainable development aims to maintain economic advancement and progress
