What is language loss? Erin Haynes, University of California, Berkeley . An issue of major importance to heritage language communities is language loss.

What is language loss? - Center for Applied Linguistics

Further complicating issues related to oral language development and literacy acquisition are situations in which a student's first language is not shared by other students in his or her grade, the student's first is a language without adequate print sources for instruction, or the student cannot receive instruction because a bilingual education teacher is not available to provide it.

English Language Learners | RTI Action Network

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.

Language education - Wikipedia

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).

One of the many things I love about working for Oakland, California schools is serving a community rich in diversity of culture and language. At the same time, it is no easy task ensuring that our English Language Learners (ELLs) are meeting grade-level content standards while mastering a second language.

Why are Academic Discussions So Important for our ELLs?

Peralta Community College District is comprised of Berkeley City College, College of Alameda, Laney College, and Merritt College. Together they provide northern Alameda County a range of educational programs and life-long learning opportunities.
