Broadly speaking, liberty (Latin: Libertas) is the ability to do as one pleases. In politics, liberty consists of the social, political, and economic freedoms to which all community members are entitled. In philosophy, liberty involves free will as contrasted with, determinism. In theology, liberty is freedom from the effects of "sin, spiritual servitude, [or] worldly ties."

Liberty - Wikipedia

Freedom of religion is a principle that supports the freedom of an individual or community, in public or private, to manifest religion or belief in teaching, practice, worship, and observance. It also includes the freedom to change one's religion or beliefs. Freedom of religion is considered by many people and most of the nations to be a fundamental human right.
