The Bible In Basic English (also known as BBE) is a translation of the Bible into Basic English. The BBE was translated by Professor S. H. Hooke using the standard 850 Basic English words. 100 words that were helpful to understand poetry were added along with 50 "Bible" words for a total of 1,000 words. This version is effective in communicating the Bible to those with limited education or ...

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.
