Appearance. The shadow may appear in dreams and visions in various forms and typically 'appears as a person of the same sex as that of the dreamer'. The shadow's appearance and role depend greatly on the living experience of the individual because much of the shadow develops in the individual's mind rather than simply being inherited in the collective unconscious.

Shadow (psychology) - Wikipedia

The Shadow is the name of a collection of serialized dramas, originally in 1930s pulp novels, and then in a wide variety of Shadow media. One of the most famous adventure heroes of 20th century North America, the Shadow has been featured on the radio, in a long-running pulp magazine series, in American comic books, comic strips, television, serials, video games, and at least five feature films.
