Looking Glass (or Operation Looking Glass) is the code name for an airborne command and control center operated by the United States. In more recent years it has been more officially referred to as the ABNCP (Airborne Command Post). It provides command and control of U.S. nuclear forces in the event that ground-based command centers have been destroyed or otherwise rendered inoperable.

"Do you hear the snow against the window-panes, Kitty? How nice and soft it sounds! Just as if some one was kissing the window all over outside. I wonder if the snow loves the trees and fields, that it kisses them so gently? And then it covers them up snug, you know, with a white quilt; and perhaps ...
