Chapter 3: Values and Morals: Guidelines for living

The trolley problem is a thought experiment in ethics. The general form of the problem is this: You see a runaway trolley moving toward five tied-up (or otherwise incapacitated) people lying on the tracks. You are standing next to a lever that controls a switch. If you pull the lever, the trolley will be redirected onto a side track and the five people on the main track will be saved.

A new psychological theory holds that human beings exist at different "levels of existence." At any given level, an individual exhibits the behavior and values characteristic of people at that level; a person who is centralized at a lower level cannot even understand people who are at a higher level.

Dr. Clare W. Graves

2 Created in God's Image But even humanism is in trouble. Two world wars and the unmentionable atrocities of the Nazi regime have shaken many people's faith in man's basic goodness and in the significance of human values.

Leader vs. Manager: What's the Distinction?

The worthwhile problems are the ones you can really solve or help solve, the ones you can really contribute something to. No problem is too small or too trivial if we can really do something about it. You say you are a nameless man. You are not to your wife and to your child.
