

### **managing and resolving conflict pdf**

- How do you feel about conflict? It's interesting, but a lot of people think that conflict is a bad thing. Something to be avoided or deescalated as quickly as possible. But conflict is actually a natural byproduct of both group development and diversity. Much of conflict is healthy, and contributes to the growth of the individual and the organization. As a manager, you'll find that dealing ...

An ethnic conflict is a conflict between two or more contending ethnic groups. While the source of the conflict may be political, social, economic or religious, the individuals in conflict must expressly fight for their ethnic group's position within society. This final criterion differentiates ethnic conflict from other forms of struggle. Ethnic conflict does not necessarily have to be violent.
