## **managing the corporate reputation pdf**

Reputation management refers to the influencing and controlling of an individual's or group's reputation. Originally a public relations term, the growth of the internet and social media, along with reputation management companies, have made search results a core part of an individual's or group's reputation. Online reputation management, sometimes abbreviated as ORM, focuses on the management ...

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...
