Digital rights management. Adobe Digital Editions uses the proprietary ADEPT (Adobe Digital Experience Protection Technology) Digital Rights Management scheme, which is also implemented on some e-book readers, including iPads and many Android devices, but not Kindles. The software locks content to up to six machines and allows the user to view the content on each of them.

An Excellent Alternative to Adobe Reader. PDF-XChange has some very nice features not found in Adobe Reader, but where it matters it follows the familiar shortcuts and layout of the established market leader. It is very customisable too, so if you don't like the defaults, many things can be modified.
