

### **mass media society pdf**

Mass society is any society of the modern era that possesses a mass culture and large-scale, impersonal, social institutions. A mass society is a "society in which prosperity and bureaucracy have weakened traditional social ties". Descriptions of society as a "mass" took form in the 19th century, referring to the leveling tendencies in the period of the Industrial Revolution that undermined ...

The mass media is a diversified collection of media technologies that reach a large audience via mass communication. The technologies through which this communication takes place include a variety of outlets. Broadcast media transmit information electronically, via such media as film, radio, recorded music, or television. Digital media comprises both Internet and mobile mass communication.
