

### **master electrician test preparation pdf**

In theatre, the master electrician (or chief electrician in the UK) is responsible for implementing the lighting design for a production drawn up by the lighting designer. This involves overseeing the preparation, hanging, connection and focusing of stage lighting fixtures.. This can be done on a show-by-show basis, or as a resident position of a specific theatre.

Licensure means a restricted practice or a restriction on the use of an occupational title, requiring a license. A license created under a "practice act" requires a license before performing a certain activity, such as driving a car on public roads. A license created under a "title act" restricts the use of a given occupational title to licensees, but anyone can perform the activity itself ...
